SEIZURE LOG

Directions: Use this form to keep track of your child's seizure activity. Your notes will help health care providers in further treatment of your child.

Date	Time Seizure Began	Time Seizure Ended	Current Medication and Dose	Description of Seizure	Any Intervention?

This tool was developed with funding from the federal Maternal and Child Health Bureau, Health Services and Resources Administration under grant #H98MCO3905, funded to the USC UCEDD, Childrens Hospital Los Angeles, through its initiative, *Project Access: Improving Care for Children with Epilepsy*. Support was also provided by two other partners in *Project Access*: the National Initiative for Children's Healthcare Quality (NICHQ), under grant #U23MC038893, and the Epilepsy Foundation, under grant # U23MC03909.
