This tool was developed with funding from the federal Maternal and Child Health Bureau, Health Resources and Services Administration under grant #H98MCO3905, funded to the USC UCEDD, Childrens Hospital Los Angeles, through its initiative, *Project Access: Improving Care for Children with Epilepsy*. Support was also provided by two other partners in *Project Access*: the National Initiative for Children's Healthcare Quality (NICHQ), under grant #U23MC038893, and the Epilepsy Foundation, under grant # U23MC03909.
